Agreeable. Good notes.
Haoran has been extremely kind and available for all students, his TA sessions were engaging and he explains hard concepts in a clear way.
Haoran is an exceptional TA who combines deep knowledge of the course material with an impressive ability to bring additional insights to class discussions. His notes are incredibly comprehensive and detail-driven, making them invaluable for understanding complex topics. Beyond his expertise, Haoran's approachable and kind demeanor fosters a supportive learning environment. Without a doubt, his skills and dedication make him a wonderful TA and, presumably, a fantastic professor in the future.
Harry's lecture during the TA session is very clear and easy to understand. I also appreciate the TA notes he posted.
